EDMONTON, ALBERTA, WEDNESDAY, JUNE 22, 1955

Section One—8 Pages

To Hold Tourney And Sports Day

Lac la Biche will hold a gigantic tournament and sports day June 30 and July 1.

It is anticipated Lac la Biche will have its largest sports day on record this year, providing weather permits. Baseball will be played with \$1100.00 in prizes being handed out. Teams entered for the two days are Lac la Biche, Grassland, Jarvie, Boyle, Wandering River, Glendon, Briereville and an eighth team, believed to be Legoff. On June 30, after the day's softball and baseball, a mammoth bingo will be held in the Lac la Biche curling rink at the Recreation Centre. Over \$400 worth of prizes will be available for the lucky winners. The sports committee are endeavoring to have a good line of concessions and side-lines for the two-day event.

A feature attraction will be the archery performed by archer, Herb Erickson, who is rated near the top for archery in Alberta and Canada. Other events of the two days will be girls' football and junior baseball.

Considering the huge crowd attending Lac la Biche sports day previously, it is anticipated that a larger crowd should be in attendance. Final entertainment of the day will consist of a dance both evenings, with concessions in the hall along with the dancing.

Lac la Biche Wins Honors In Hose Rolling

On Wednesday, June 15, Fire Chief E. G. Dobson along with Firemen J. Onifrew, M. Hamar, T. Makriss, R. Rudiger, H. Marchildon, W. Tardif, and J. Rudiger ventured into the unsettled weather and muddy roads travelling to Two Hills for a hose rolling and hose coupling competition.

Arriving at 1:30 p.m. they had half an hour to prepare for events of the day.

The results of the two competitions out of 13 teams represented Lac la Biche won first, and Elk Point second in the hose rolling competition. Lac la Biche Brigade rolled up the hose in 154.5 seconds to take top honors.

The Two Hills Brigade came out on top in the hose coupling competition.

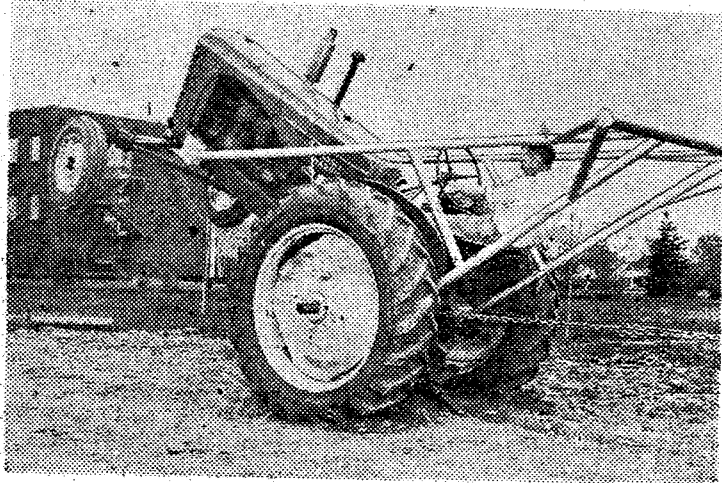

Prizes for the competitions were sponsored by the Town of Two Hills and by the Fire Commissioners office. Lac la Biche Volunteer Fire Brigade were awarded butane lighters while the Two Hills Brigade were given electric clocks for their feats.

Lac la Biche, Two Hills and Two Hills Jrs. partook in a water fight and the result was a complete victory by the Two Hills Jr. Brigade.

Following this the Two Hills Fire Dept. put on an oil fire display. Spectators probably exaggerated by stating that the program was even more exciting than a baseball game.

The day ended with the buffet lunch and refreshments which was held at the Two Hills Elks hall.

The Lac la Biche Volunteer Fire Dept. expresses their word of thanks to the Two Hills Fire Dept. for their keen competition and their friendly hospitality.

TIPPING TRACTORS have already taken several lines in Alberta this summer. The protective covering developed by Mr. Stephanson was on display at the 7th annual plowing competitions, June 17-18.

TRACTOR TIPPING DEMONSTRATIONS GIVEN BY FARM SAFETY GROUP

A committee of the Alberta Safety Council under B. T. Stephanson, Associate Professor of Agricultural Engineering, U. of A., demonstrated at the Edmonton District Tillage and Plowing Matches, June 17th and 18th, to show just how easily the ordinary farm tractor can be made to rear over backward. The demonstration also showed the dangers of unshielded power takeoff shafts.

To perform the demonstrations in safety, Mr. Stephanson has had a protective framework built onto the tractor. Even with this protection, it is necessary for the operator to do a great deal of practising before the actual public showing.

Already this year tractor accidents have taken the lives of several farmers and it is felt that if the forces which operate to overthrow tractors can be demonstrated realistically, that this would lead to better understanding of the safety measures which must be taken. The tractor will be upset backwards by two methods.

First is the improper hitch where the operator, seeking to get a lift on his load, hitches the chain or cable to the axle instead of the draw bar.

The second occurs when the tractor is mired in the mud, or for some other reason is unable to move forward. The operator seeks to obtain traction by lashing a log fence post to the drive wheel. This often stops the wheels from turning, with the result that the power of the tractor, instead moving the machine forward, raises the front end of the tractor in an arc around the axle. Many operators have been crushed by having a machine come over on them this way.

Dodgers In Action In Tournament

LAC LA BICHE — During the past week the Lac la Biche Dodgers travelled many miles for baseball tournaments. The first venture was to Cold Lake where they played three games to succeed in making second money in the Cold Lake tournament. Scores of the day were: Lac la Biche, 7, Turtleford 6; Lac la Biche 4, RCAF, 1; and Cold Lake, 11, Lac la Biche, 0.

From this tournament, Lac la Biche travelled to Westlock to the two-day \$2,000 tournament, June 14 and 15. The Dodgers, who played the Edmonton Outlaws in a nine-inning high-tension game, were edged out by the Outlaws 8-5. The game was one of interest and until the final inning it was anyone's game.

Some of the highlights of the

Assoc. Library Organized At HSA Meeting

LAC LA BICHE—H. Newson, Supervisor of Public Libraries, Government of Alberta, visited the Lac la Biche area, Thursday and Friday, June 9 and 10.

Thursday evening, at a general meeting of the Home and School Association, Hylo, an association library was organized. The supervisor spoke on books, school libraries, and a plan for increased service to the area. Mrs. Charlotte McEachern is secretary of the library and Mrs. Olga Meardi, Hylo, has been appointed librarian.

At Lac la Biche, Mr. Newson inspected the library, then met with the library board at the home of the convenor, Mrs. Ernestine Joncas. He stated that the local library with its good basic collection gives amazing service for a library of its size. It provides picture books for the very young, easy-reading books, popular non-fiction, and good fiction. It can fill the reading taste of the entire community. Mr. Newson added that the members of the local W.L., headed by Mrs. Stan Kelley, by sponsoring such a worthwhile project, deserve the support of the entire community.

Plans Made For 1956 Competition

Lac la Biche Volunteer Fire Brigade put a bid on the hose rolling and hose coupling competition for 1956, and it was decided that next year the annual event will be held at Lac la Biche. Despite weather conditions and wet roads, it is well to note that the brigade carried on regardless of what could have been trouble along the way. Which goes to show that this brigade is one of great enthusiasm and of great benefit to the town.

game were a home run by Mike (Moose) Mossick and a well-played two final innings of pitching by Bill Melnyk.

Grassland

Mrs. Nick Nypniuk brought her baby daughter home from Lac la Biche on Thursday.

Charles Rudman made a business trip to Edmonton this week.

Mrs. Hooks, who has been teaching at Grassland school for the past three months, left on Friday, her place for the remainder of the term being taken by Victor Poulin of Atmore.

Congratulations to Mr. and Mrs. Donald Corse on the birth of a daughter.

Nick Derko returned from Edmonton on Wednesday.

Mrs. Bruce Kritze, travelling with her brother, Fred Johnson, was visiting Mrs. Hjelter and her friends and relatives in the Abee district this week.

Miss Doreen Fleming who has been serving as nursing aide in an Edmonton hospital, has been visiting her parents near Grassland.

Grassland Branch Red Cross Collects \$300

Mrs. B. R. McKenzie of the Grassland branch of the Canadian Red Cross Society, reports a very successful campaign. The quota for the Grassland district was \$300, and this amount was collected and sent in to headquarters in Edmonton. Besides this, \$60 was sent to the Cancer Fund.

Mrs. McKenzie would like to thank all those who contributed to the fund, especially the Community League for the use of the hall and films, and the Students' Union for a donation of \$10.

Firemen Attend Banff Convention

LAC LA BICHE — Fire brigades from all over the province attended the Provincial Fire Chiefs' Convention at Banff last week.

The three-day well-attended convention commenced with an invocation by Rev. G. A. S. Hollywood of Banff. After the introduction of visitors, a welcoming address was given by the park superintendent, B. I. M. Strong, followed by a response to the welcome by president of the Provincial Fire Chiefs' Association, H. Strain.

A short prayer and two minutes' silence for members who had passed on and firemen lost in fire service was next on the agenda. After the announcement of coming events, a half-hour welcoming address was given by E. R. Hughes of the provincial government.

President, Fire Chief H. R. Strain, opened the afternoon session with an address which was followed by the secretary's report. Next came an address from Fire Chief Lauder of Edmonton, speaking on the life in a paid fire brigade. A general discussion took place in the manner of a number of discussion groups, thus each group asked questions which were discussed.

The second day opened with a business session with reports of different committees and changes on the constitution were effected. Following an address given by Colonel Lavoy on Civil Defence as it affects the fire department, a film was shown called "Operation Ivy", which was one of interest and good character. Before closing (Continued on Page 2)

Students Tour City and Printing Plants

EDMONTON — Twenty-one excited school children from the Hammond Jr. High School of Prosperity toured the city of Edmonton on Friday and Saturday, June 17 and 18. The event was sponsored by the Student's Union of the school. Among the highlights of the trip was a visit through the printing plant of Community Publications; the students had an opportunity of observing the operation of linotypes, casting equipment, large and small printing presses in action. At the conclusion of the tour through the printing plant all students were treated to revels and dixie cups.

This is the second such venture of students on a tour of Edmonton. The students were from grades 5-10 and varied in age from 11 to 16.

The group were under the direction of H. E. Sawchuk and Mrs. V. Ross, teachers from the Hammond Jr. High School.

Other points of interest covered by the students were the Legislative Building, a dairy, a garment factory and a radio station. The party left the school at 5 a.m. Friday and will spend Saturday in the city. Accommodations for meals and beds were made with St. Stephen's College.

Among the students on this educational trip were: Larry Rywak, Mary Woytowicz, Peter Opryshko, Adolf Pawliuk, Steve Duma, Billy Rosa, John Spila, Albina Rywak, Melvin Tostyniuk, George Woytowicz, Jean Berziuk, Alicia Duma, George Opryshko, Helen Spila, Olga Opryshko, Adeline Pawliuk, Alec Dmitriuk, Julia Wolecewich, Mike Kemalchuk, Olga Lewiski, Mrs. Rosa, H. E. Sawchuk.

Party Held For Graduates

PLAMONDON — A graduation party was held in the school on the evening of June 17 in honor of Miss Simone Menard, Miss Madeleine Gregus and Charles Cadieux. The teachers of the school in Plamondon, the parents of the graduates and the senior classes were among the guests.

Boy Injured In Truck Accident

TAWATINAW—Donald Oko, the eight-year-old son of Frank Oko suffered multiple leg fractures when he was over by a truck.

His father started the truck and was not aware that Donald was attempting to get in. He backed the truck and rode over his son. The boy was rushed to the Westlock hospital and given medical attention. He will have his leg in a cast for several months the doctors stated.

Paxson

Mr. and Mrs. Andrew Todd were visiting over the week-end. Mrs. Todd is Mr. D. Kostashuk's daughter, Irene.

F. Lachance, J. Lachance, G. Hague Jr., E. Wilson and A. Hansen were working on the hall, repairing porches and hanging two new front doors. It is planned to have the Flat Lake hall sided and painted in the near future with hopes of a "bee" to complete it.

A school meeting of the local trustees was held at Wilson's. Main discussion was delegates for the convention.

Bernie Beaudry helped transport the Safety Patrols from Boyle to Edmonton.

ATHABASCA PC CANDIDATE WITHDRAWS FROM ELECTION

BAPTISTE LAKE—John, Ernest Appleby, junior high school teacher in Athabasca, Progressive Conservative party candidate in the forthcoming provincial election, withdrew from the race on the eve of nomination day.

In a statement Mr. Appleby said, "It had been the announced intention of the Progressive Conservative party to run a candidate in practically all the constituencies in the province. When I was approached and asked to accept the nomination for the party I agreed to do so. Since that time, however, a trend has developed in which members of parties opposed to the present government have, in many constituencies, joined in support of a single able candidate.

"I find myself in full agreement with this trend, as it is my firm belief that the province of Alberta is in desperate need of a government made up of capable, honest men, who can put the welfare of our province above personal or party considerations.

I am therefore withdrawing as a candidate in the election to be held June 29, and intend to throw my full support behind Richard Hall, who has been nominated by the Liberal party to contest this seat in the legislature. It is my belief that Mr. Hall is in every way a candidate qualified to give honest, sincere and unbiased representation of all electors in the constituency of Athabasca, regardless of their party affiliations.

"I wish to thank the many friends and supporters who have come forward with offers of help during the past few weeks. Many of these, like myself, are former Social Credit supporters who believe that conditions in the present administration have reached a point where it would be a great danger to the people of Alberta to allow the government to continue in office. I am asking all of them to join with me in the support of Mr. Hall in this election."

Nehru, home from a visit to China says the "world situation is improving."

Party Platform Outlined By Richard E. Hall

Richard E. Hall, Liberal candidate for the Athabasca constituency has outlined the platform of the Liberal party at several public meetings held in his constituency in the past week. Meetings held at Atlanta, Forfar, Grasmont, Richmond Park and Tawatinaw drew attendances varying from 45 to 55 persons.

Main points spoken on by Mr. Hall are the policy that the Liberal party will follow on rural electrification, education, road program and health, if they are the party to form the government following the provincial election.

Guest speaker at the meeting held in Richmond Park was former Conservative candidate, Frank Appleby. The meeting in Tawatinaw was attended by two guest speakers, W. Maseuch of Edmonton and Victor Laskoski of Colinton.

Two Liberal candidates in the Edmonton riding will attend meetings to be conducted by Mr. Hall in Boyle and Athabasca. The meeting in Athabasca on June 24 will be attended by Harold Tanner, M.L.A. in the last legislature and former city of Edmonton alderman. Abe W. Miller will be guest speaker at the meeting held in Boyle, June 27. Mr. Miller is entering the provincial campaign for the first time. He is a well-known Edmonton lawyer and is presently a city alderman.

Alberta

WE'RE READY TO FORM YOUR NEXT GOVERNMENT

The Liberal Party has nominated 53 candidates—the finest group in Alberta's history—under the distinguished leadership of J. Harper Prowse, M.L.A. They pledge above all an honest and responsible administration . . . a government in which all Albertans can take pride.

**MAKE SURE YOUR CONSTITU-
ENCY IS REPRESENTED IN THE
NEXT GOVERNMENT . . . BY SUP-
PORTING YOUR LIBERAL CANDI-
DATE.**

YOUR LIBERAL GOVERNMENT WILL . . .

Appoint a Judicial Royal Commission to
investigate Treasury Branch loans and
any other government contracts involv-
ing Social Credit Cabinet Ministers and
M.L.A.'s.

- Lower municipal taxes by assuming a larger share of the costs of education and secondary and local roads.
- Finance the entire cost of rural electrification systems with provincial funds.
- Provide a program similar to the Veterans Land Act to establish young people on farms.
- Legalize the use of purple gas in all farm vehicles.
- Build roads that will stand up.
- Raise standards of education and teacher training.
- Provide scholarship funds to enable young Albertans to attend agricultural schools, take technical training, or attend university.
- Pay \$50.00 Jubilee Grant without a means test to all pensioners, including W.V.A.

News From Other Alberta Towns

Scholarships And Bursaries Available School Of Agriculture or Home Ec

Many young people from this district will be starting a University course or a course at one of the Schools of Agriculture and Home Economics. How many know what financial assistance they may apply for? At my office I have information and application forms for the bursaries and scholarships available for those boys and girls who intend to go to one of the

Schools of Agriculture and Home Economics. Those planning to enter University should contact the bursar of the University or the Dean of the Faculty in which they intend to register.

HAY OR SILAGE

The last few years there has been an increasing interest in silage as a way to put up feed. The trench or bunker type silo seem to be the most suitable in Western Canada as there is less danger of freezing and they are quite easy to fix up to a self feed out of. One common question is "What crops can be used to make silage?" The answer is any crop which will make hay and many others such as thistles and other weeds which would not be suitable for hay. Mixtures of grasses and legumes make the best feed whether they are fed as hay or silage.

CARE OF MACHINERY

Now that seeding is over and the first summerfallow operations done there is a chance to check over machinery. Make sure that the drill and fertilizer attachment are properly cleaned out to prevent rusting and corrosion. If any repairs or adjustments are needed, this is a good time to do them. This is also a good time to check over and fix up the haying machinery before starting to use it. Proper alignment of cutting bar and knife will give a lot better job and be much easier on the mower. If loaders or stackers are to be used, check for worn cables, ropes or chains and replace them now.

Camp Agapae To Have Redwater Cabin

Through the efforts of Redwater friends, the United Church Camp at Elk Island Park will have a Redwater cabin. The cabin will be put together in a bee during the week-end of June 25, and it is hoped that it will be in use for the camps which this year will commence on July 4.

Schedules for the camps for in-July 4-12; junior boys, July 13-22; interested persons are senior girls, junior girls, July 22-31. Anyone interested in sending their children to camp may phone Mrs. Roy Middleton, at Redwater.

Good News For Winagami Beach

McLENNAN — The Winagami Beach Association faced with the need to complete the last four miles to the beach site, appealed to Solon E. Low, M.P., and the Hon. Gordon E. Taylor for further assistance for road facilities. Their response was favorable and on Wednesday afternoon of June 8 the District Engineer, G. Hamilton and George Stephenson, Mike Martel, Emil Gamache and W. C. Kirkland went on a tour of inspection of the beach road.

The Beach Association bought 14 acres of land from the two farmers, George Ghostkeeper and Eugene Chalifoux, in order to obtain sufficient area from which to obtain earth to build an elevated grade. The Dept. of Public Works stated that the machinery will move into the area immediately and commence work on the final stretch to the beach.

The Beach Committee was very encouraged and on or near July 1 the road to the beach area should be in fair shape, and further work can be concentrated on the beach once the road is established.

Frank Elaschuk Drowns In Smoky River

HIGH PRAIRIE — Frank Elaschuk, a member of the staff of the Royal Bank, was drowned on Sunday afternoon, June 12, while swimming in the Little Smoky River. Mr. Elaschuk, with some friends, was swimming in the river just east of the Little Smoky Bridge when he dropped into a deep hole. Though every effort was made by those on the scene, rescue attempts were unsuccessful. The body has still not been recovered, but dragging operations are being continued by the RCMP.

His parents, who reside in Edmonton, have come to High Prairie to assist in the search.

Mr. Elaschuk, who held the position of Teller at the Royal Bank, has been in High Prairie for nearly a year and was a popular member of the staff.

Hail Damage Claims Surveyed By Airplane

FALHER — Farmers of the Falher district will be able to get immediate attention to hail damage claims which have been placed through G. R. Levesque, Notary Public and General Insurance Agent, of Falher.

Mr. Levesque has inaugurated an air survey service which will allow him to inspect crops by plane within a matter of hours after damage by hail. This service has proven extremely satisfactory in Southern Alberta and in the United States where it has been in practice for some time.

It is an established fact that the extent of damage to a crop may be appraised much more accurately after an air survey of the area, for in this way no chances are taken of overlooking the most seriously damaged spots that could otherwise have been missed by a ground party.

Livestock Buying Station Opened

HIGH PRAIRIE — Further evidence of the growth of High Prairie is the opening on Friday, June 17, of a Livestock Buying Station. The up-to-date premises have recently been completed east of town on the McCue property adjoining No. 2 highway.

The station, which will be open daily for the purchase of hogs and cattle, will be under the management of George Thompson, who has been transferred from Grande Prairie. Mr. and Mrs. Thompson will take up residence in the house recently vacated by Mrs. Brodie.

Bears Enjoy Meal By Roadside

JOUSSARD — David E. Brassard, seven-year-old son of Mr. and Mrs. David H. Brassard, was badly frightened on his way home from school when he came upon three large brown bears chewing on some horse bones beside the road. He noticed them when he was about 30 feet away. They sat up on their haunches, pricked up their ears and just looked at him. David turned and ran back about three-quarters of mile to the home of Mr. and Mrs. Rolland Nobert. The bears have been seen by the Nobert family almost every morning, ambling up and down the road in search of food.

WILD ANIMAL SHOW TO APPEAR HIGH PRAIRIE SATURDAY, JUNE 3

One of Canada's most outstanding wild animal shows will make its appearance in High Prairie on June 25. Sponsored by the High Prairie Elks, the Odyssean thrilling wild animal show will feature many all-star acts.

Some of the animals to be seen under the big top will be llamas, kangaroos, monkeys, elephants, and chimpanzees. These animals have been trained to perform acts that are both spectacular and original.

Appearing in the circus will be Ben Jackson, one of the three greatest comedy acrobats in Canada. Other acts will feature jugglers, acrobats, trapeze artists and musical comedy stars.

Donald Ophus Narrowly Escapes From Drowning

CANYON CREEK — Donald Ophus had a narrow escape from death when pinned under a tractor in the Assinieu River. The high water from recent rains moved the bridge, causing it to tilt. The tractor rolled off into about four feet of water. Donald was held up by a brother and sister until help was obtained.

Shower Held For Young Couple

ISLAY — Miss Irene Simmons, who has been employed by Woodwards, Edmonton, for a number of years was married on June 2 to James Goodkey of Edmonton.

They motored down to Irene's parents home, Mr. and Mrs. Herb Simmons, Islay, for the wedding supper where the family and few friends attended. On Thursday evening many more friends showered the young couple. Many lovely gifts were received and the visitors enjoyed a delicious lunch.

Nursing Society Elects Officers

SMITH — The annual meeting of the Smith Municipal Nursing Service Society was held on June 6. The following officers were elected: Secretary, Mrs. H. E. Duncan; assistant secretary, Mrs. M. Watson; president, C. A. Millins; vice-president, Cecil Miller; district representatives appointed, Smith, Mrs. A. Villeneuve; Otter Creek, A. Showalter; Smoky Creek, Jake Friesen; Ranch, Mrs. Annie Fraser; Hondo, Sid Owens; Forestview, Mrs. William Patterson; Moose Portage, Mrs. Cecil Miller; Fawcett Lake, Mrs. Bill Willis; Spurfield, N. Skerenik; Chislow, Mrs. Christensen.

Following the meeting, the new nurse, Miss McLaughlin, was brought in and introduced. A lovely lunch served by the ladies followed.

PLAYS TIE BINGO GAME TO WIN PLYMOUTH CAR

McLENNAN — Winning a new Plymouth car at a bingo game held on his wife's birthday was the pleasant experience of Lionel Gagnon, 25 year-old working man of Donnelly. Although he declined a request to say a few words to the crowd over the newly installed loudspeaker system, both he and

Meeting To Decide Members Ball Team

LAKE GILROY — A community meeting was held Sunday afternoon before the ball game to decide who would play on the ball team. Another meeting is to be held Tuesday after the FUA meeting to discuss whether or not to enter the team in the sports to be held north of Innisfree on Sunday June 12. Ted Jackson was made manager of the team and Ernie Nickleson, the coach.

The community dance held Saturday night was very well attended. The winner of the door prize failed to claim his prize, so a second ticket was drawn and Stanley Napstone was the winner. Mrs. Steve Petula and Gordon Codd won the spot prize. Dances are to be held every Saturday night until further notice.

Embroidered Names On Jubilee Quilt

KINUSO — A committee of WA members met at the home of Mrs. Brown Tuesday evening to plan work on the Jubilee quilt. A charge of \$1.00 will be made to embroider each name on the quilt. Anyone wishing to have his name on the Jubilee quilt should contact one of the members.

Pastor Nordin Makes Trip To Sweden

AMISK — The Pentecostal Church was the scene of a social event one night recently when a number of friends and relatives of Pastor Carl Nordin and son Harold met at the church to wish them "bon voyage" on a trip to Sweden where Pastor Nordin will attend a lunch conference as delegate from a Chicago charge where he has preached.

Pastor Nordin and Harold made the trip by plane leaving Edmonton late Tuesday, June 7 expecting to land in Sweden on Thursday evening. It has been over 40 years since Mr. Nordin was in his homeland and it is Harold's first trip overseas. They plan to be away two months.

Birthday Club Honors Members

KINUSO — Mrs. H. Lysne entertained the Birthday Club at a joint tea on Sunday in honor of Mrs. Mary Armitage and Mrs. H. Churchill. They were presented with duplicate pieces of china.

A lovely lunch was served and each received a birthday cake.

Nestor Hryciw Wins Trophy

TWO HILLS — Nestor Hryciw was presented with the hockey trophy for being top scorer in the St. Paul Hockey Club. The presentation was made by W. Skakum of St. Paul at a high school graduation dance here.

Gov't To Pay 60% Hospital Rates For Patients

McLENNAN — Effective July 1 important changes have been made in the hospitalization agreement between the Town of McLennan and the Sacred Heart Hospital.

Each patient will pay \$1.50 per patient day and will include the special services such as X-ray, medicine, dressings, etc. The town and the provincial government will now pay 60% of the costs, instead of 50%. It is expected that the hospital rate will remain unchanged.

In referred cases, to Edmonton hospitals, the citizen will pay \$2.00 per day and the town and government will pay the full Edmonton rates. Non-ratepayers can purchase hospital tickets for \$10.00 for one year, and take effect 60 days after the date of purchase.

Banquet Honors Four Graduates

Recently Doris Muenchrath, LaRue Browns, Weldon Hurke and Bert Katterhagen were honored at a graduation banquet in St. Rita's High School auditorium, Rockyford. Rev. E. Lehman, Mr. and Mrs. Anthony Muenchrath, Mr. and Mrs. Sherman Browns, Mr. and Mrs. Alfred Hurke, Mr. and Mrs. Harvey Katterhagen, Mr. and Mrs. A. G. Velher, Mr. and Mrs. William Kathol and Mr. and Mrs. Remus Muenchrath were present.

After the banquet Mr. Velker called upon Father Lehman, the graduates, the parents and the members of the school board for speeches, all of which were very enjoyable.

Following this was a party attended by the high school students and their parents. The evening ended with dancing and lunch.

Helicopters In McLennan

McLENNAN people are getting used to helicopters from the aerial survey landing on the lakeshore on the north side of town where the pilots have a temporary refueling station. The friendly pilots show interested children and equally interested grown-ups as much as they can of the working of machinery. Every helicopter or plane that comes in or takes off has an interested audience.

The children on Alton Lloyd's farm were treated to a special thrill when a helicopter landed in their front yard.

Hey, Bob—He Won't Bite

ROBERT TAYLOR get acquainted with a falcon fellow actor with whom he appears in a sequence in M-G-M's CinemaScope production, "Knights of the Round Table." The bird's trainer, Philip Glassier, also appears in the film. It's reported that the falcons appearing in the picture will come to America and demonstrate their swooping ability at various premieres of the picture.

Breynat

Fred Meyer and son, Alvin, of Freedom, visited relatives and friends here.

Mr. and Mrs. Walter Lacousier will return to their farm in August. Mr. Lacousier is now employed at Athabasca.

Mrs. John Karpetz of Amesbury, who underwent surgery recently, will be returning home soon.

The Wandering River High School students from Mr. Chodan's room held a play in the hall June 9. The money collected will be spent on a tour of points of interest in Edmonton.

Atmore

Rev. J. St. Arnaud wishes to thank those who contributed to the success of the best picnic Atmore has yet experienced.

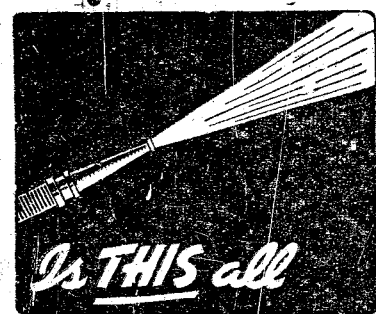

Week-end guests at the R. Matheson home were Mr. and Mrs. Shiptyesh of Chipman, Alta.

Mr. and Mrs. O. Poulin, accompanied by sons, Leo and Victor, motored to Vermilion last week.

O. Poulin left for Grande Prairie this week.

Mr. and Mrs. A. Bouvier were Edmonton guests last week-end.

Mr. and Mrs. A. Dupre of Wandering River were recent guests

Plamondon

The high school teacher and vice-principal is leaving the community. He and his family are returning to St. Boniface, Man.

Sister Anna, daughter of Mr. and Mrs. Ferdinand Plamondon, who is visiting her relatives and friends, is accompanied by Sister Francoise of Edmonton. Sister Anna is returning to Winnipeg.

Mr. and Mrs. Alex Schaub are moving into town from the farm and will reside in Philip Plamondon's house, formerly occupied by Mrs. Emma Sullivan.

Mr. and Mrs. Armand Richard and family were visiting their parents and friends.

Mr. and Mrs. Emmanuel Labonte are visitors in Plamondon.

Nelson Plamondon of Edmonton is visiting Mr. and Mrs. Alex Gauthier.

Mr. and Mrs. Isidore Duperron of Breynat are moving to British Columbia. Mrs. Isidore Duperron is the daughter of Mrs. Matilda St. Jean of Plamondon.

Mr. and Mrs. Noel Plamondon and family of Trail, B.C., are visiting their parents, Mr. and Mrs. Ferdinand Plamondon and Mrs. Tardif of Lac la Biche Mission.

Hylo

The Hylo Home and School Association held their monthly meeting on Thursday, June 9. Mr. Newsome spoke on public libraries. The Association decided to hold a picnic for the children, who will graduate this term.

Mrs. Sashko is in the St. Catherine's Hospital in Lac la Biche.

Visitors here recently were Misses D. Grandinette, Sylvia Sawchuk, Norma Rayment and Larry Rayment.

ALBERTA HAIL INSURANCE BOARD

CONFERENCE TO THRASH OUT HEALTH INSURANCE PLAN

TORONTO — The fourth British Commonwealth medical conference begins Tuesday with Canadian delegates preparing an answer to demands for a form of compulsory state medicine for Canada.

Officials said Monday the medical profession will take its "most positive stand yet" on the form of health insurance it feels most suitable for Canada.

A group formed in 1951 under the name Trans-Canada Medical Plan reports Wednesday on its four-year study of health insurance.

Under the auspices of the Canadian Medical Association, co-ordinating agency for Canada's 11 major doctor services with 2,080,000 contributors, it opposes any system of socialized medicine. But it concedes government aid is necessary to protect citizens who cannot afford premiums on pre-paid-medical plans.

It is expected to recommend:

1. A health insurance program on a voluntary basis and at a national level for most Canadians through extension of existing doctor and hospital services.

2. Provision by the state, in part or whole, for persons unable to provide for themselves, ensuring medical aid for all. Public funds would be set aside for such dependents.

The group hopes to show medical care costs can be levelled without state medicine.

A Canada-wide health plan already appears the big question of the two-week 3,000-member conference. The CMA will present its own independent policy and three British delegates will outline Britain's national health service.

Bulk of the delegation — 130 British doctors — was to sail last Thursday on the liner Saxonia but the British dock strike prevented departure. However, Sir John McNee, outgoing president of the British Medical Association, arrived by air. He will receive an honorary doctorate of letters on Friday from the University of Toronto.

Forty per cent of India's \$1,047,000,000 budget, the largest in the nation's history, will be spent for defence.

Supply Plan Ensures Water For 350,000

EDMONTON (BUP)—The City of Edmonton has launched a \$1,750,000 program to ensure a sufficient supply of water for a future population of 350,000 citizens.

W. D. Kirkland, water and power plant superintendent, said excavation work on a new plant is already underway and he said erecting the structure to house the additional filtration equipment will start this week.

The superintendent pointed out that the new plant provides for the increased use of water as well as the expected increase in population.

The new plant, to be completed in 1956, will have a capacity of 40,000,000 gallons a day.

Heart Ticks Like Clock

DETROIT, Mich.—If it were not for a device in Spurgeon Cooley's heart that makes his heart tick like a clock, doctors say Cooley couldn't live. Surgeons installed a transparent plastic valve in Cooley's chest to correct a leaking heart valve. A plastic ball bounces in the valve as regular as the heartbeat, causing the ticking noise.

The outlook is said to be optimistic for U.S. exports in 1955.

St. Phillip's Parish Picnic a Success

The church picnic held recently at Atmore proved a success for both visitors and the parish. The weather was perfect for the ball games and outdoor activities. In the boys' contest the first prize of \$70 was captured by Athabasca; second prize of \$50 went to Lac la Biche. The losers, Wandering River and Boyle each went home richer by \$20.

First prize of \$20 was taken by the Grassland girls' softball team. The second prize of \$15 was won by Lac la Biche and Plamondon returned home with \$10.

The kitchen table set was won by E. Dumas of Lac la Biche. A dinner set was raffled and was won by Rita Murchildon, Lac la Biche.

Mrs. J. Le Rouzic of Atmore won the third prize which was a bedspread.

An additional attraction this year to the Atmore picnic were the see-saw and swings.

The day ended with a movie, "Lost Honeymoon." After the stroke of midnight, the young folks danced a few hours away. The dance was sponsored by the Community Club.

W. Minsky Buried At Rochester

Funeral services for William Minsky, who passed away May 24, were held May 28 at the Roman Catholic Church.

He was born in 1911 at Rochester where he spent most of his life. He served four years in World War II in France and Germany.

Surviving are his widow, two sons, Tony and Kenneth; his mother; three brothers and two sisters.

Interment was in Rochester cemetery. Floral tributes were received from Mrs. Argue; John and Georgina Kushneryk; Mike and Edna Kushneryk; Alec, Jenny and Gladys Kostyk; mother and Dad Kushneryk; Frank and Jean Kushneryk; John and Anne Minsky and family; Tony and Mary Pinchuck and family; Joe Minsky; Pete and Bertha Minsky; Mr. and Mrs. Walter Girlich and family; Rochester United Church WA and Mr. and Mrs. Le Grande.

Mrs. Watt and her two children have returned to Clive after spending a few weeks at the home of Mr. and Mrs. Pete Bezpolko.

Large Crowd Attends Sports Day

Farmer's Day at Rochester drew one of the largest crowds in years to the sports grounds.

The colorful parade floats added much to the day as did the student's program in honor of Alberta's Golden Jubilee anniversary.

The display of school work in the class rooms, won much interest from parents and visitors.

In the sports, Jarvie placed first winning \$35, with Fairhaven taking second prize of \$15. Rochester was the losing team.

Winners in the juvenile teams were Rochester, \$35; Perryvale, \$15; and Westlock was the loser.

Rochester girls won the volleyball game from Perryvale. There were races for all age groups.

The president, George Mason extends thanks to the committees, teachers and pupils and those who helped make the day a success.

Bride Elect Presented With Coffee Table

LAC LA BICHE — A surprise party was held at Mrs. S. Stuparyk's on June 13 for Miss Emily Balaban, who has been employed at Michael Hamar's store for the past year.

Miss Balaban will be married on July 21. A large group attended and presented Miss Balaban with a beautiful coffee table.

Lac la Biche

The Lac la Biche high school students will spend the afternoon of June 29 at the Mission for their picnic. The Students' union will present each teacher with a little gift.

Constable M. Thorndyke has taken over the job of coaching the girls' softball team.

Mr. and Mrs. Ira Kibbe motored to Edmonton during the week.

Miss Evelyn LeMay, who is employed with the Alberta Telephone office in Edmonton was home visiting her family and friends. Miss Arlene Davis returned to Edmonton with Evelyn.

Roy Raines and Mary Shewchuk motored to Frains to visit Mary's family.

A number of residents motored to Cold Lake for the baseball tournament, June 10.

Mr. and Mrs. John Konowalchuk and Mr. and Mrs. Hector Mc-

Cormick stayed to see the air show, June 11.

A surprise birthday party was held for Mrs. McCormick on Thursday, June 9. Nearly 30 people attended.

Gordon Richards, Doris Tymchuk, Jean Tikkanen, Sonia Dubon, Angeline Couteney and Mrs. John Tessolin motored to West-

Dodgers play baseball.

President Eisenhower has asked Congress to authorize the United States to join the Organization for Trade Co-operation, set up by the thirty-four member nations in the General Agreement on Tariffs and Trade.

CENTENNIAL TO BE HELD AT WHITEFISH LAKE RESERVE

There will be a big celebration at Goodfish Lake on the Whitefish Indian Reservation, northeast of Edmonton on June 26 and 27. One hundred years will have passed since the Reverend Henry B. Steinhauer, and Ojibway Indian and an ordained Wesleyan clergyman, with a group of Woods Cree converts, founded the settlement. This was the first community of Indians farming for a living west of Winnipeg. Here was founded the first Protestant mission school west of Portage la Prairie, and was probably the first agricultural community in what is now Alberta as we know it.

The fine work accomplished by white missionaries in the west is well known, but this story of a child of the forest, who bridged the difficult waters between pagan Indian customs and white civilization is not too well known. Henry Steinhauer was a man of noble character, and his followers and descendants are people of fine reputation as agriculturists, soldiers, teachers and missionaries.

Henry B. Steinhauer was born in a wigwam on the eastern shore of Lake Couchiching in Ontario in the year 1820. He was adopted as a young boy by a Mr. Steinhauer of Philadelphia. He was educated at a seminary in New York and at Upper Canada Academy in Toronto. He was so brilliant that he headed his class during the final year at the Academy. A profound scholar of Greek and Hebrew, his habits of study continued throughout a long life of isolation in the northwest. He was also a competent agriculturist and carpenter, skills that were to help in the founding of successful western missions.

Henry Steinhauer chose to work among his own people, and after years as teacher and lay preacher among Indians in Manitoba, and following a visit to England with the Rev. John Ryerson, he was ordained at London, Ontario. Returning immediately to the west he worked among nomadic people, but soon realized that no real progress could be made without a school and a settled way of life.

There were many converts among the quiet intelligent Woods Cree in the vicinity of the fur-trading centre of Lac la Biche, and so, in

1855, a mission site was chosen south of this area, away from the paths of the war parties. Whitefish Lake and its neighbor, Goodfish Lake, were well stocked with fish, and the surrounding land was suitable for farming. Houses were erected, and when the Indian ponies bolted at the sight of harness, Steinhauer and twelve of his followers hitched themselves to the plow, broke the land and sowed barley. They built a log church, established a school and chose to follow a Christian and industrious life.

The Whitefish settlement was much more advanced than any in this country at the time. Mr. Steinhauer had devoted helpers, his two sons Edgerton and Robert, who were educated at the University of Toronto. His brother-in-law Benjamin Sinclair. The Metisse teacher and interpreter Peter Erasmus. The Hudson's Bay Company Factors William Christie and William Hardisty, and that famous Cree Chief Pakan. This great native leader was chief of the Whitefish band, and his loyalty and sincere faith was a deciding factor in the defeat of the Riel Rebellion.

By 1873 the people at Whitefish Lake were living in comfort on small farms, many needing more farming land had expanded to Saddle and Smoky Lakes. Men and women shared the burden of work, they attended church and school. Visitors were surprised by the book education of these isolated Indian scholars. Their lives, then and today are an enduring monu-

ment to Henry Steinhauer, who died in 1884, after 44 years spent in missionary and educational work among the Indians of the West.

Plans for the coming Centennial Celebration are being made by the Whitefish Indian Reserve resident. The United Church of Canada and descendants of the original members of the band who now live at Saddle Lake. A replica of the original mission church will be dedicated. There will be a massed choir and communion service. There may be a pageant depicting the old days. Mr. Sam Bull, an elderly resident of the Reserve has written a short history which will be distributed at the celebration.

Another historic day for Alberta!

Alfred Kitchener Laid To Rest

PAXSON — Funeral services were held for Alfred Kitchener of the Paxson district in the Boyle Anglican church on Thursday, June 9 at 2 p.m. Rev. Parsons officiated and interment was made in the Boyle cemetery.

Beautiful floral tributes were received from Hans and Sylvia. Bill and Marie, H. Lockhart and family, Jürgen, Eugene Wilson and family, Mrs. Mellott of Boyle, and Mr. and Mrs. C. Madsen.

Ballbearers were H. Lockhart, Anker Anholt, Bill Grove, G. Hague Sr., Eugene Wilson and Art Hansen.

Mr. Kitchener was born in Australia in 1901 and came to the Paxson district in 1927, where he resided until his death. If there are any relatives living, it is unknown to the old-timers here.

Couple Receive Silver Tea Set 30th Anniversary

BREYNAT — Mr. and Mrs. William Kokatylo of Amesbury celebrated their 30th wedding anniversary on June 11. A large crowd attended from Breynat, Wandering River, and Smoky Lake. The couple were presented with a silver tea set.

Mr. and Mrs. Kokatylo have a family of 12, seven girls and five boys.

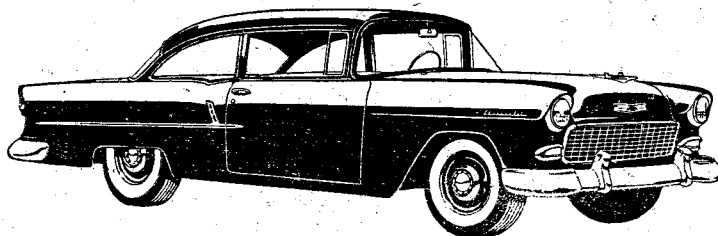

Sport News

The Hylo Beavers were victorious on June 10 at the Craigend picnic in a very close matched game which ended up 9-7 in seven in-

nings. The Lac la Biche Dodgers (jr.) maintained a lead of 5-0 until the end of the fourth inning, then the Beavers came up from behind to take over and remain ahead for the win. The prize was \$25.

The Hylo women played a game of softball against the Hylo girls on Sunday, June 12. The final score after the end of the ninth inning was Women 19, Girls 3.

SPARE 90 MINUTES— gain years of better baling

A long noon hour (or its equivalent) is all you need to
have the ROTO-BALER demonstrated on your farm.
You'll see for yourself why round bales are better:

Learn How
Roll-Up
Compression
Saves Hay
and Dollars

- Leaves are sealed in.
- Weather is sealed out.
- Livestock prefer hay from round bales.
- Round bales can't buckle or break.
- Less twine cost per bale — per ton.
- ROTO-BALER costs less to own, much less for upkeep.

ROTO-BALER is an Allis-Chalmers trademark.

Firemen Attend Convention . . .

(Continued from Page 1)
for lunch C. F. Platt gave an address on forest and prairie fire problems.

Beginning the afternoon session an address was given by Fire Chief Thompson of Fairview on volunteer fire brigades. This was followed by a panel discussion of fire department problems, after which Mr. McDougal gave an encouraging address on Fire Prevention Week.

The final item of the day ended with an equipment display and demonstration of the various types.

Opening the final day of the convention, Fire Chief A. Webb of Camrose gave a detailed address on telephone and fire alarm systems and A. E. Bridges of the Fire Commissioner's office gave an address on problems concerning all fire departments. Following this a film was shown called "Indirect Fog Application", which showed what a little water applied in the correct manner could do in extinguishing a fire.

Then came an address from Mr. Bedard of the Fire Commissioner's office, illustrating the impact of fire losses to a community.

The 1954 report of the Dominion Fire Brigade Association was given by C. A. Thompson, followed by a short address by J. Arnett, entitled "What You Will." A question panel was then in order consisting of a discussion of equipment manufacturing representatives. The end of the Banff convention wound up with convention business, election of officers and location of next year's convention.

It was decided that the 1956 Provincial Fire Chiefs' Convention

would be held at Fairview.

Mr. Dobson, Fire Chief of the Lac la Biche Volunteer Fire Brigade, returned after the convention and considered it one of interest and much value.

Noral

Mr. and Mrs. Maurice Hoflin and Ralph left last week for Wandering River where Mr. Hoflin is working with a road construction gang and Mrs. Hoflin is cooking for the men.

Alex Woychuk of Kahwin visited the Fred Woychuk home recently.

Pete Kotch made a business trip to Vermilion recently. Mr. and Mrs. Kay Henson were also in Vermilion visiting Mrs. Henson's brother, Herman Wentzel.

Albert Hoflin returned to Edmonton after spending a week at his home here.

Visitors at the Cliff Henson home last week were Mr. and Mrs. Ronald Kasha and Mrs. Woodward of Lacombe. Mrs. Woodward and Mrs. Kasha are a sister and niece of Mrs. Henson. Mr. and Mrs. Kasha are also school friends of Dorothy Walter.

Miss Dorothy Walter spent "Farmer's Day" week-end at her home in Red Deer.

Guest Speakers At Field Day

LAC LA BICHE — An Agricultural Field Day for the purpose of demonstrating the various machines and their different uses, was held on Saturday, June 18, on the farm of Harold Belanger.

Guest speakers were Sidney Lore, district agriculturist, and F. S. Goddard, provincial assistant agricultural engineer.

C.C.F. LEADER SAYS PRESENTING POSITIVE PROGRAM TO ALBERTANS

In a radio broadcast last week, C.C.F. leader, Elmer Roper, stated that his party is endeavoring to present a positive program to the people in the present provincial campaign. Outlining the various faults of the present Social Credit government, Mr. Roper went on to illustrate how the C.C.F. government would remedy the situation.

While discussing land transactions, which when investigated showed that the government had paid \$100,000 more than current

values, Mr. Roper stated that government members should be as careful in the conduct of public business as they are about their own affairs.

"Alberta has the highest municipal taxes, per capita, in Canada," stated Mr. Roper. He went on to say that for every dollar the provincial debt had been reduced, the municipal debt has gone up two. The provincial leader stated that under a C.C.F. government, there would be an entirely new deal for the municipalities with the government meeting a much greater share of the cost of local services.

Speaking on the marketing legislation bill which was presented at the close of the last legislature, he stated that it was an attempt to curry political favor and "it was a clumsy and reprehensible attempt to run with the hare and hunt with the hounds". He concluded by saying that the C.C.F. government would institute legislation that would enable the farmers to set up their own marketing boards.

Athabasca River Flood Subsides

EDMONTON (BUP) — The Athabasca river at Holmes Crossing near Fort Assiniboine, about 116 miles northwest of Edmonton, is no longer threatening residents in the area with evacuation.

Reports say the river, which rose to within three feet last week of the 1954 flood level, is dropping. The decrease in the river's level came as a result of cold nights in the Rocky Mountain watershed which reduced the volume of water pouring into the river. The level at the village, however, still is nearly six feet above normal and three feet from flooding surrounding river flats.

Ferries between Whitecourt and Fort Assiniboine were halted for three days by rising water and driftwood. Motor boats were used at the Fort to transport bridge crews which had to cross the river daily to reach their homes.

Kikino

Mr. and Mrs. Frances Cardinal are the parents of a daughter born at Goodfish Lake.

Mr. and Mrs. L. Thompson's baby girl was taken to the Aberhart Memorial Sanatorium in Edmonton last week.

Mr. and Mrs. T. M. Johnston and family will leave here early in July.

The Kikino boys lost their first game of the season at Craigend.

SHOO FLY . . . !

If your cows could talk that's all you'd hear all summer long. For flies are maddening pests to your cows. Hundreds — even thousands of flies — biting your cows and crawling over their hides prevent them from grazing.

Flies are your direct enemies, too, for they often carry harmful bacteria to the milk utensils and the milk itself, thus raising the bacteria count.

Watkins Grade AA Fly Spray protects your cows and your dairy utensils against flies in the barn and in the pasture! It knocks flies down fast and kills them with a swift knock-out punch. And because it contains Methoxychlor, it protects your cows against horn flies in the pasture all day long.

Plan your fly control program now. Order your Watkins Fly Spray early. Get your season's requirements all at one time and save money.
